Hypertension/Preeclampsia: What Every Nurse (AND Provider) Should Know

Carol J Harvey, MS, RNC-OB, C-EFM, CS
Principal
Carol J Harvey Consulting, LLC

Clinical Specialist
Women's Services
Northside Hospital
Atlanta – Cherokee- Forsyth
Georgia

OBJECTIVES

At the end of the presentation the participant should be able to:

1. Recall and discuss the recent changes in the definitions and criteria of “preeclampsia”
2. When given a sample case study of a patient with preeclampsia, identify the steps and timing of antihypertensive administration for hypertensive crisis.
